Dear Mr. Stutts:

This letter will serve to confirm our agreement to delay the implementation of the initial rural route evaluations under the revised Rural Route Evaluated Compensation System (RRECS), to Saturday, May 6, 2023.

The parties are agreeing to this delay to allow for further review of the data underlying these new rural route evaluations. The parties will also use this time to finalize an alternate dispute resolution process specific to the rural route evaluation data.

The Postal Service is committed to reviewing these initial rural route evaluations to ensure that errors and/or missing data entries are corrected, as appropriate.

Sincerely,

A handwritten signature in black ink, appearing to read "D. A. Tulino".

Doug A. Tulino
